

CORBENIC DAY SERVICE NEWSLETTER

May 2021 Edition

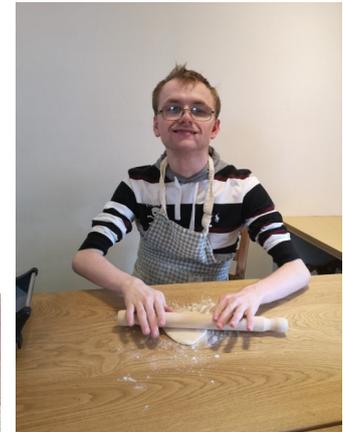

A Warm Welcome 😊

We welcomed some new faces to the Corbenic Day Service this month!

A very warm welcome to Lucas (left) who is the newest member of the Day Service...and a big welcome back to Cameron (right). It's been a pleasure to welcome you both to Jura!

....and not forgetting our new feathered friends! We welcomed our hens 'Babs' and 'Ginger' along with 'Rocky' the Rooster to Jura. We decided to name them after the characters from 'Chicken Run' as they keep escaping over the fence!

Happy 21st Birthday Jessica!

Jessica celebrated her 21st at the end of April, we enjoyed a delicious chocolate cake for tea break.

Despite Babs and Ginger being excellent escape artists they have occasionally been returning to their coop to lay us some eggs. Jan harvested the cress we have been growing and we boiled our eggs and made some delicious egg and cress to enjoy on our buns for tea break.

We have continued to enjoy doing lots of cooking/ baking throughout May and have been trying out some new recipes, such as home made guacamole and fresh tomato salsa to make our own style nachos.

Woodwork at Jura

A big thank you to Kaj and the woodwork team who very kindly installed a vice clamp outside Jura so that we can do some of our own woodwork projects. Heather used to attend the Woodwork workshop and was excellent at stripping the bark from rhododendron branches which Kaj will use to create handles for cheeseboards.

Gardening

The weather has not been particularly kind to us throughout the month of May however we have still tried to get out and carry on with some of our gardening tasks. We have started planting our seedlings outdoors into the raised beds.
